

AIRSTREAM®

2026 Atlas®

With its roomy interior, expansive bathroom, and full slate of amenities, the Atlas Touring Coach is the crown jewel of our luxurious line of motorized touring coaches. It's built on the legendary Mercedes-Benz® Sprinter cab chassis and inspired by our trailblazing Airstream Interstate series. But Atlas is no ordinary motorhome: With its wide body, power slide-out, and understated automotive styling from grill to bumper, we affectionately call it a Class B+. Atlas is the standard for those who believe a well-travel life begins with the very best.
