

AIRSTREAM®

2026 Basecamp Xe

Introducing the Basecamp Xe: Airstream's first all-electric capable travel trailer. Built for both off-grid exploration as well as traditional campground camping, the Basecamp Xe is available in a 20-foot floor plan and features a fully inverted 30A electrical system combined with 600W of rooftop solar panels a 10.3kWh lithium battery pack supported by a 3000W inverter. From the optional air conditioner and optional microwave to the water heater, furnace, and induction cooktop, the appliances in Basecamp Xe are electric-first. The trailer's powerful inverter and huge battery bank allow owners to operate all functions even when far from shore power. Chase adventures both near and far while harvesting the power of the sun and enjoying all the comforts of home in Basecamp Xe.
