

A large, modern Airstream Globetrotter travel trailer is parked in a grassy field. Two people are sitting in chairs in front of the trailer, facing each other and smiling. A small campfire is burning between them. The trailer has a distinctive curved front and a white exterior with a dark stripe. The windows are illuminated from the inside, showing a cozy interior.

AIRSTREAM®

2026 Globetrotter

European inspired and American made, Globetrotter is a modern celebration of minimalist design. Its crisp, clean lines and delicate neutral colors make it a sophisticated beauty while softer curves, panoramic windows, wrap-around upholstery, recessed speakers, and backlighting throughout make it a modern traveler's dream. From wine tastings to art festivals to cross country treks, the Globetrotter Travel Trailer will turn heads and hearts every time you hitch up.
