

AIRSTREAM®

2026 Interstate 19X

The 2026 Interstate 19X is a small-footprint camper van built for big adventures. Based on the rugged Mercedes-Benz® Sprinter van chassis, it combines premium comfort with serious off-grid capability. The all-new, standard Advanced Power Package delivers impressive off-grid performance, giving you the freedom to explore farther for longer. Inside, convertible bench seating in the rear offers flexible space for gear or relaxing, while the integrated L-track system keeps everything secure. With aggressive tires, advanced safety features, and a powerful turbo diesel engine, the 19X is ready for any journey.
