SAVE BIG ON SEATS

Wide Ride + Serta Truck Seat

GREY ULTRA-LEATHER, HI-PRO SUSPENSION, DUAL 16" ARMRESTS, HI-BACK

B5300001902

The Wide Ride+Serta® truck seat redefines premium seating in the trucking industry. Better than standard memory foam, the Serta® Cool Action™ Gel provides 2x the support and 7x the cooling ability, wicking heat away rather than trapping it near your body.

CARRIER TRUCK CENTERS + GEOTAB

ELD COMPLIANCE MADE EFFORTLESS

EASIER-TO-USE, VERSATILE ELD COMPLIANCE SOFTWARE

Make ELD compliance easy with Geotab from Carrier Truck Centers. Geotab ELD Compliance software simplifies Hours of Service (HOS), Driver Vehicle Inspection Reporting (DVIR), Driver Identification and Messaging.

REDUCE THE RISK OF HOS VIOLATIONS AND ERRORS

Keep accurate logs with reminders for drivers to Log in and Log out, real-time availability and alerts for when they are running low on hours of service (HOS).

SIMPLIFY DRIVER VEHICLE INSPECTIONS

Help drivers complete vehicle checks with workflows for pre and post trip inspections in the U.S. and Canada. Set up rules for real-time alerts when defects are found or inspections are missed.

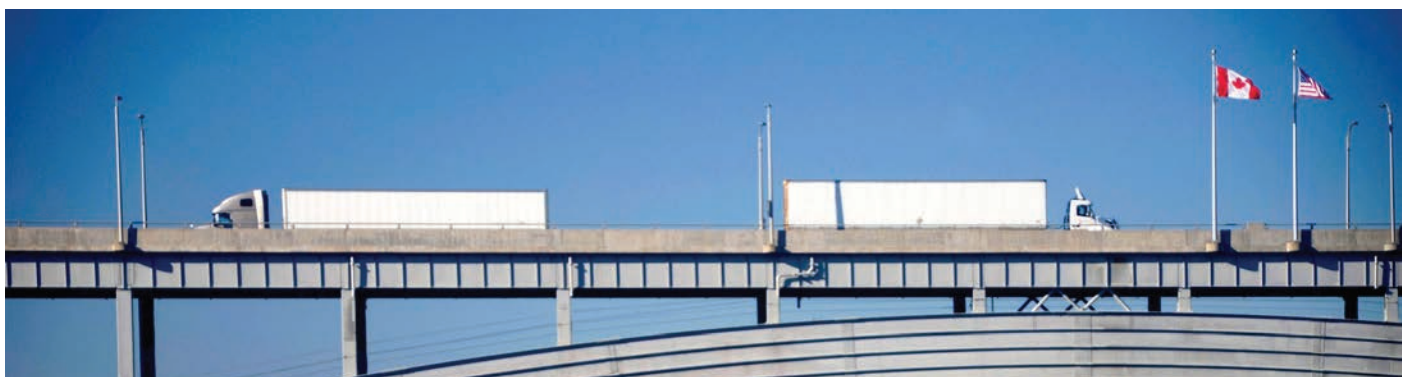

CROSS BORDER COMPLIANCE

Supports over 100+ customizable HOS Rulesets and Exemptions for the U.S. and Canada, including Agriculture, UPS and custom.

CANADIAN ELD MANDATE

Transport Canada has mandated the use of ELDs and is enforcing ELD usage as of January 1st, 2023.

As us how you can ensure your fleet is compliant with both Canadian and U.S requirements

Contact us at geotab@carriertruck.ca for more information
